KS3 Level 6

Week 2 — Lesson Notes

Bible | English | Maths | Science | History

"I can do all things through Christ who strengthens me." — Philippians 4:13

Creation — Genesis 1 & 2

God as Creator · Responsibility for creation · Beauty and order in the world

Memory Verse

This verse connects to last week (How the Bible is Organised). The Genesis creation account is Scripture breathed out by God — meaning every detail has theological significance, not just historical interest.

Key Vocabulary — ESL Guide

Understand these words before reading the lesson:

Genesis 1 and Genesis 2 — Two Perspectives

The Six Days — Theological Pattern

Scholarly insight: Days 1–3 create the REALMS. Days 4–6 fill those realms with RULERS. This parallel structure reveals God's design is purposeful and ordered.

Imago Dei — What Does It Mean to Be Made in God's Image?

- **Rationality** — Humans can reason, plan, and reflect. We can think about God, meaning, and morality. This reflects God's own rational nature.
- **Creativity** — God creates, and humans uniquely create art, music, buildings, and language. We are sub-creators, reflecting our Creator.
- **Moral consciousness** — Humans have an in-built sense of right and wrong (conscience). This reflects God's own moral character.
- **Dominion (stewardship)** — Genesis 1:28 says "Have dominion over the earth." This is NOT a licence for destruction. It means responsible, caring management.
- **Relationality** — "It is not good for man to be alone" (Gen 2:18). Humans are made for relationship — just as God exists in relationship (Father, Son, Spirit).

Critical Thinking — Three Views on Genesis 1

Knowledge Check — Questions & Model Answers

- What does "ex nihilo" mean? — "Out of nothing." God created the universe from nothing — no pre-existing material. This distinguishes the Christian God from deities who merely rearrange existing matter.
- In the literary structure of Genesis 1, which realm does Day 5 fill? — The sky and sea (created Day 2). Day 5 = birds fill the sky, fish fill the sea. This parallel structure reveals deliberate literary design.
- What does "imago Dei" refer to? — Humans made in God's image, reflecting His character in rationality, creativity, morality, and relationality.
- Which view holds that Genesis 1 is structured poetry? — The Framework / Literary View. It treats the 6 days as a literary framework conveying theological truth rather than a scientific timeline.
- Why is the name "Yahweh" significant in Genesis 2? — It emphasises God's personal, relational nature, while "Elohim" in Genesis 1 emphasises power and cosmic authority.
