

1. The lesson identifies 7 features of a civilisation. Complete the table from memory:

2. Put these events in chronological order (earliest first). Write the numbers 1-7:

3. Answer these questions using ONLY information from the lesson:

4. The lesson compares how Mesopotamia and Egypt each developed writing. Using the lesson's structure (similarity – difference – significance), write a comparison. Include: what each system was called, when it developed, what it was used for, and why the difference in purpose matters.

5. 'Geography shapes civilisation.' Using the lesson's comparison of Mesopotamia and Egypt, explain how the geography (rivers, floods, desert) of each civilisation shaped its stability, religion, and building style. Write at least 6 sentences.
